13. Sandi told everyone that if they want to have their boat on the dock for the Christmas Boat Parade they need to reserve a slip by October 21st. 17. Nancy reported on the club rentals, and let everyone know what a great job Karen Viereck is doing as Rental Manager.
18. We found out that there is a job opening with the Kingston Chamber for a "Director of Development". They would be the chair for KCASF and the 4th of July events. If you know anyone who might be interested, let Nancy know. A paid contractor position, it actually comes with a salary.
19. Gloria Young had Steve (aka Vanna) handed out certificates to all the cruise captains from the last year. Then she told some great stories and gave out the boating awards. And the winners are:
  - a. Boating Family Award - Joseph Charnes and Ilse DeGroen (they also won last year and deserved to.)
  - b. Sandbar Award - Jerry Kirschner (you have to ask him to tell you his story!)
20. Jerry gave out the Nels Anderson Award, which is the highest honor the club has. And that was given to Jack Lott. He put in lots of hard work, making the club better.
21. Nancy gave Jerry a special award for acting as both Commodore and Treasurer. It will officially be known as The Superman Award. He even got a special trophy!
22. And finally, the money bag drawing. The winner WOULD HAVE BEEN Sonja Roberts. And the pot was up to \$305!! Sorry Sonja, you should have been there (although being pregnant with twins is a pretty good excuse.)
23. Meeting adjourned: 8:50pm.
