Commodores Report

Let me begin with announcing that Peggy Barsness is this year's recipient of the Lona McFarlane Memorial Distinguished Service Award for outstanding performance and for willingness to participate in many endeavors benefitting the Club and its members. Congratulations, Peggy!

May has been a very busy month. Opening Day in Seattle was memorable. Thank you, David Kutz for organizing our fleet again this year at Queen City Yacht Club. A good time was had by all.

The Mothers Day Luncheon was lovely, and I received many compliments for my wife Lynn who put it all together. The luncheon was followed that night with successful Wine Tasting event at the club hosted by Cheryl Callais and crew. Cheryl's heavy hors d'oeuvres were a special treat also.

The next day was our KCYC Opening Day Ceremony and cruise in the harbor. The boats looked sharp and thank you to all who participated. Our Fleet Captain, Tom Pickens, is doing a fantastic job organizing all of these cruises and boating events.

Lynn and I missed the informal cruise to Viking Fest this year because we were in St Thomas, VI for our son's wedding ceremony onboard a 50 foot catamaran named "The Cat" followed by a beautiful sunset cruise back to port. By the looks of the photos I've seen of our fleet at the Poulsbo docks, it was a beautiful day and once again, a good time was had by all.

Spring is in the air, and the flower baskets are back again on our deck. I am not sure who all was involved in it, but I saw the Barsnesses, Chambers, and McFarlanes with dirty hands one afternoon when I was putting a new flag on our flag pole. Marilyn Kutz keeps all those plants alive by faithfully watering them during the summer. Thank you to all. Plus, we need to thank Tom Chambers for repairing the legs on our round tables. They are all in good working order again.

I would also like to congratulate our three new Honorary Life Members for completing 30 years continuous membership service: Bette Davies, George McFarlane, and Quentin Gilman.

Finally let me mention there is a new label on the "Over the Bar" plaque that reads, "William (Bill) Reynolds – 2009 – Created all the plaques for those who preceded him in passage 'Over the Bar'. We raise a glass in his memory." Thank you, Geoff Griswold, for having it made.

Smooth sailing,

Steve Hyman
Commodore KCYC

A Shout From The Rear

Well it looks like summer is about here! The bar is well stocked for all of you thirsty Yacht Club members. Everyone will have a new supply of scrip to spend, so come on down and enjoy a cool one on the deck!!!

Hope to see you real soon.

Sunshine and Clouds

Lois Dage

Well, this has been a bad month for our members. Carol Wetmore fell and broke both her feet. On top of that, she ended up with pneumonia. What a double whammy. Tom Davies came down with the Flu, became dehydrated, and his kidneys started to shut down. He's OK and hopes to be home next Sat. Dale Carpenter is ill...not sure at press time what is going on, and Marilyn Kutz # 1 suffered a stroke. She is stable and recuperating at Northwood's in Silverdale. Lets hope and pray that all recover soon, and we have a better June.

Lois

Signal from the Fleet

The cruising season is well underway and going great! We had 11 boats in Port Ludlow, 6 boats plus the log boom crew on Seattle Opening day, 11 boats at the Kingston Opening day and 8 boats at the Vikingfest. The highlights of the Kingston Opening Day were the fleet blessing by Pastor Scott Pennington, renaming of boats by the Lachelt's and the Moreland's, the fleet parade in memory of our departed members Frank Bartholomew, Jerry Orr and Bill Reynolds. The day ended with a well attended hamburger bash. Thanks to Commodore Steve for assume Chef responsibilities.

This weekend we are at the Fisherman's Terminal for the Memorial Day Weekend cruise. 12 boats have signed up. We have a lot of activities that should be fun, so I have my fingers crossed. Coming up are the June Bell Harbor cruise and the July extended week long cruise. Please contact me if you want more details for either cruise.

I am planning on spending August in the Gulfs and San Juan Island waters. Please let me know if you are going to be in the neighborhood and we can check float plans to see if there is an opportunity to meet. Joyce Jones will be in the Desolation Sound area from mid July to mid September and I am sure that she would welcome the opportunity to meet up with club cruisers. If you are planning a cruise, let me know. I would like to put together an article on the summer cruising experiences of our members.

A Big Thank You from the Commodore's Wife

Dear friends of KCYC,
My one responsibility as the commodore's wife, other than being 1st mate on the commodore's sailing vessel, is to organize the KCYC Annual Mother's Day Luncheon. Nothing gets done around the club without a lot of people's help, and this was no exception. None of it would have been worthwhile if it wasn't for you, our faithful members who attend and bring guests and/or a salad. I love you women!!!! Thanks for coming and sharing your hats and your lives and your cooking!

The winner of this year's Lona MacFarlane award, Peggy Barsness, has made her own tradition of "wowing" the ladies with her basket for the raffle. Once again, she outdid herself! That picnic basket will be a hard act to follow, Peggy. What you do and give is a blessing to so many of us all year round! Raffle tickets don't sell themselves, so Janice Kutz was instrumental in encouraging people to participate and donate the dollars. And where would we be without our faithful bartender, George MacFarlane? Our Past Commodore's wife, Linda Pickens, was the "go to" woman for decorations and color scheme this year. God bless her for tying up all those beautiful favors filled with chocolates! And for thinking a year ahead and getting us those snazzy watering cans for the flower arrangements and color coordinating the paper plates and napkins. It all made for a pretty backdrop. Last, but not least, I'd like to thank my faithful partner, Steve. The nice thing about spouses is that they usually are gifted in areas that we are not. He is my resident organizer and stabilizing influence when I'm flying around like a chicken with my head cut off. All in all, I had a great time, and I hope you all did, too. Thank you so much!

Lynn Hyman
