Commodores Report

The June Family Night General Meeting was a great success. It was great to see so many family members, and the many dishes of food were great too. It was good to see some prospective members in the mix as well. I hope we made them feel welcome.

It gave me real pleasure to present the HELEN MEREDITH FRIENDSHIP AWARD to Bobbie Moore in recognition for her active participation in community service as the Executive Director of the Village Green Foundation. Bobbie has been a driving force behind the development of Village Green and the Village Green metropolitan park district initiative. Her tireless efforts have been an inspiration to everyone involved in the creation of the Village Green Park and maintenance of the grounds through many hours of volunteer labor. Her outstanding performance and initiative has benefited our community.

It was good news to hear the Kingston 4th of July Celebration committee received the necessary funds to continue another fireworks display again this year.

Our traditional Pancake Breakfast will again kickoff the day for our little town by the sea. I look forward to working with Tom and Betty Davies, Mike Gildea and Jan Montgomery, and crew to open our facility to serve the community.

Smooth sailing,

***Steve Hyman

Sunshine and Clouds

Lois Dage

Well good news this month. Moses Nunez underwent a 5 artery heart bypass last week and is recovering nicely at home in Arizona. (hope the air conditioning works). Marilyn # 1 is still at Northwoods in Silverdale recovering from a stroke and improving each day. If you would like to visit her, she is in room 113.

Keep up the good work.

Lois

Signal from the Fleet

First, a big thanks to everyone that made the Memorial Day Cruise a great success! We had typical Northwest weather but that did not dampen our spirits. We had 13 boats at the Fisherman's Terminal Dock. Friday night we were treated by music from Neil Rush and many of the old time Seattle rockers at a local pub. Two of the original Ventures were there. Saturday we had a very enjoyable dinghy cruise, including a side trip to the Smokehouse Bar in Ballard. The Fleet Captain's auction went very well on Sunday. Thanks again to Quentin Gilman, our auctioneer, the folks who donated items and to the generous bidders who participated. This was followed by a great dinner at Chinooks. The weekend closed with a brief private Memorial observation on Monday before we headed home.

The next club cruise is our extended July cruise beginning on July 18th. We will anchor in the harbor in front of the Port Hadlock Marina and meet for dinner at Ajax Restaurant at 1800 hours on Sunday. We will then spend two nights in Mystery Bay SMP and two nights at Port Hudson. On Friday, we will anchor in Squamish Harbor in front of Rob & Marie Bird's Shine Road residence and dinghy in to party on. We will return to Kingston on Saturday, July 24th to join in with the KCYC BBQ and band party. I understand that Chris and the Edmonds contingent are going to get an early start at Langley Boat Harbor on July 16 & 17, and I am sure that they would welcome anyone who would like to join them there. Be sure and let me know if you are going to participate, if you have not done so already. If you can't make the whole week, consider joining in for a day or two.

We have had a total of 26 club boats participate in one or more of our club cruises this year. This is very encouraging. I was noticing that we have only have about 12 boat pictures hung on the boat photo gallery at the club. If your boat is not there, please send me a digital image so that I can get your boat on the wall of fame.

Fun on Gloomy Days

Tom Davies

Tired of receiving unwanted solicitations for credit cards, mortgage refinancing, cellular systems, etc.....try this for fun. Put some of the material from one request into the postage paid envelope of another and send it off. Add some confetti--make sure your name and address are not included. This is especially fun if you've been on a trip and there are a couple of weeks of mail stacked up. Nothing vicious--just entertaining. And, while on the subject of mail, Iraqi terrorist, Khay Rahnajet, didn't pay enough postage on a letter bomb. It came back with "Return to Sender" stamped on it. Forgetting it was the bomb, he opened it and was blown to bits. Not fun.

Computers definitely need to be upgraded. Understand Hewlett-Packard is changing the command "press any key" to press "return key" due to the flood of calls asking where "any key" is. Just remember, to turn on the computer requires pushing the power button; don't try to use the mouse as a foot pedal. Operating under "windows" will still work if the computer is beside the door and the CD-ROM drive is not a cup holder. And it is really o.k. to play the AM radio after noon.

If a firefighter fights fire and a crime fighter fights crime what does a freedom fighter fight? You know the indestructible black box on airplanes; why not make the whole airplane out of the same stuff?

Just remember if you're riding ahead of the herd, take a look back every now and then and make sure it's still there.....and always drink upstream from the herd. How come cemeteries can raise prices and blame it on the cost of living?

What Happening At The Club

July is going to be a busy fun-filled month for members of KCYC. We begin the festivities on the 4th of July with our annual Pancake Breakfast. The doors are open at 8 AM and close at 11 AM. Be sure to offer a hand while you are there.

Following the breakfast the much heralded 4th of July parade takes place at 12:15. An hour after the parade the Auction for the General Fund takes place at the club. Both of these events are one of the biggest fund raisers of KCYC. Please come and support our club. The bar will open after the parade and stay open until the fireworks. If you haven't been before, the deck is a great place to "ooh and ahh" the display.

The Laid Back Attack takes place on Saturday the 17th. Tickets are going fast and you might contact Pete Deboer on getting them. This is a fund raiser for local charities and great music, food and general good times are a bonus. I understand Carol Wetmore is collecting raffle basket items (anything Jimmy Buffet, tropical or nautical). Your donated items will be much appreciated,

On Saturday the 24th will be a BBQ (bring your own meat fixings are provided) and dance. Becky Thompson has generously donated the band. The cost is \$15.00 for truly a great party. Help is still needed to get ready for the party, so please contact Marilyn Kutz (#2) at 297-3209 or Deni Lee 297- 4462 if you can lend a hand..

Lets Enjoy Our Club!!
