

KINGSTON COVE YACHT CLUB NOW ACCEPTING APPLICATIONS

The Kingston Cove Yacht Club welcomes anyone who has an interest in boating. Old Salts, New Salts, Sail Boaters, Power Boaters, Big Boats, Little Boats, you can join the fun at KCYC! Boat ownership not required.

MEMBERSHIP BENEFITS:

- **USE YOUR BOAT MORE** - Club activities give you the reason to get on the water almost 12 months per year, which is why we all have boats.
- **RECIPROCAL MOORAGE** - KCYC holds reciprocal agreements with over 100 other yacht clubs in the Pacific Northwest. These clubs offer free or deeply discounted guest moorage to our club members. Active boaters often save more using reciprocal privileges than their dues cost for the year!
- **CRUISES, CRUISES, CRUISES** - KCYC is an active boating group that holds fun cruises all year long. We cruise from Puget Sound to Canadian Waters.
- **GREAT SOCIAL ACTIVITIES** - Socialize at monthly meetings, parties, and our Friday night Happy Hour at our modern and friendly club house. Annual Golf Tournament, Comedy Night, St. Patrick's Dinner, Salmon Derby, Commodore's Ball, Christmas Party, Barbeques, and more.
- **COMMUNITY INVOLVEMENT** - Contribute to our community with fund raising and community charity events. KCYC sponsors an active Womens Auxiliary.
- **BOATING SAFETY AND EDUCATION** - KCYC participates in the boating community through it's support of the Coast Guard Auxiliary, Power Squadron, Recreational Boating Association of Washington, and National Boating Federation.
- **MAKE NEW FRIENDS** - Perhaps the best reason to join - the club is a great place to be with a bunch of people you'll want to know. Exchange boating and cruising information.
- **AFFORDABLE MEMBERSHIP** - Dues are only \$300 per year (\$25/month) for a family membership or \$150 per year (\$12.50/month) for single membership payable in June, with a nominal one time initiation fee of \$150 (\$100 single membership).
